Profile

I am Saleem Talha, a student currently pursuing a Bachelor of Science in Computer Science at Air University, Islamabad. My enthusiasm for technology has driven me to explore diverse areas of development and design. I have developed expertise in **Web Development, App Development**, and **Graphic Design**, leveraging my skills to create innovative and effective solutions.

As a self-taught developer with over three years of experience, I have built a wide range of projects, from simple websites to complex web applications and Flutter mobile apps.

I am dedicated to continuous learning, quickly adapting to new challenges, and collaborating effectively with teams. Staying up-to-date with industry trends is a priority for me, and I approach every task with enthusiasm and a commitment to excellence. My goal is to excel both academically and professionally, making a meaningful impact in the fields of technology and design.

Professional Experience

CodexCue Solution, Internship at CodexCue Solutions as a React Developer

During my internship at CodexCue Solutions as a React Developer, I had the opportunity to work on a diverse range of projects that honed my skills and deepened my understanding of **React development**. Over the course of the internship, I successfully completed three standard projects, one intermediate project, and one advanced project. These projects allowed me to apply and expand my expertise in React, tackling various challenges and delivering high-quality solutions.

My dedication and performance were recognized by CodexCue Solutions, and I was awarded a **completion certificate** along with a **recommendation letter** that highlighted my excellent contributions and technical proficiency. This experience not only solidified my skills in React development but also reinforced my ability to adapt to new challenges and deliver results effectively.

Languages

English   Urdu   Punjabi

Education

Rawalpinid

Matric, Pakistan Askari School and College

Matriculation Marks: 907

2019 – 2021
Rawalpindi
